GIVING AT WORK TO HELP YOUR COMMUNITY

Top 5 Reasons why you can make a difference by giving at Work:

1. **We make a living by what we get – We make a life by what we give –** *Winston Churchill.*
2. **Because someone may have helped you once.**
3. **Your contribution at work stays in your community** – impacting the lives of your family, neighbors and friends.
4. **You can Plan your Giving.** Even with the best intentions, people plan on donating to their favorite cause – but life gets busy and they forget to do it. Automatic payroll deductions at work make it easy for you to help others.
5. **You can be assured your donations are going to a legitimate non-profit.** Non-profits participating in **workplace giving campaigns** are pre-screened and are registered as a 501(c) (3) nonprofit organization.
